### London Atil - Web Design Intern

**London Atil** recently completed a 6 month paid internship with Wired Right Web Design. Where he built, updated, and performed search engine optimization on dozens of Wordpress sites, both ecommerce and otherwise. During his internship, **London Atil** worked late to help mitigate a DDOS attack and remediate websites that had been compromised due to insecure plugins. In addition ...

### London Atil – Brick and Mortar Computer Repair in Brevard, NC ...

Prior to his internship, **London Atil** owned and operated a brick and mortar computer repair shop. In order to run the shop **London Atil** had to learn to satisfy customers with unclear requests, make chip-level repairs, and perform data recovery from failed hard drives. Although **London Atil's** hardest task was selling hardware upgrades (such as solid state drives) to computer illiterate customers ...
